Roadwork scheduled in Kōloa from Oct. 5 to Oct. 16

KŌLOA – The Department of Public Works is announcing that DMK and Associates will be conducting roadwork in Kōloa on weekdays from Oct. 5 to Oct. 16, 2020 from 8 a.m. to 4:30 p.m., weather permitting.

Work will be scheduled on Hoolei Street, Maki Street, Ohuohu Street, Olona Street, Tapa Street, Mamaki Street, Palaa Place, and Mamaki Place. The scope of the work includes asphalt crack cleaning and filling, and seal coating the roadways.

From Oct. 5 to Oct. 12, there will be no road closures during the asphalt crack cleaning and filling phase of work. There may be short delays in entering and exiting from your road. No parking will be allowed on the road or road shoulders.

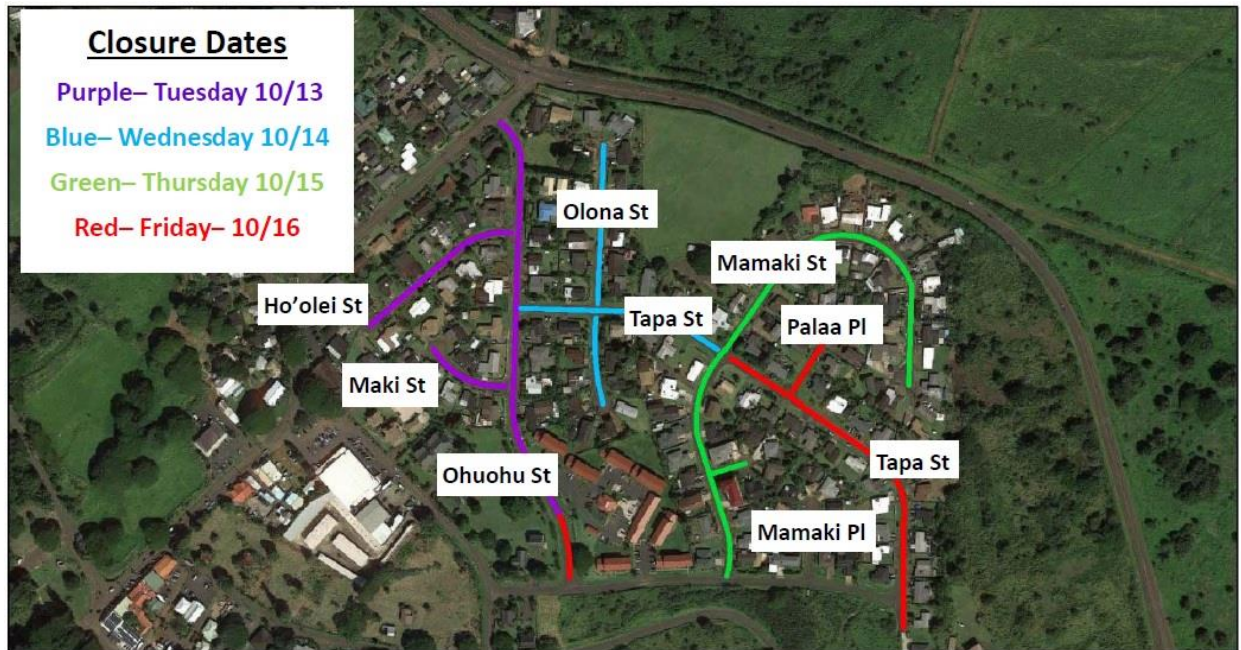

From Oct. 13 to Oct. 16, there will be road closures during the seal coating phase of work. No parking will be allowed on the road or road shoulders. No vehicle access on the roadway or grassy shoulders. No vehicle entering or exiting until the seal coat is dry and lane reopened. No walking on wet seal coat. The work zone will be coned off to prevent anyone from driving or stepping on wet materials.

For all phases of work, exercise caution when driving to ensure the safety of everyone. Please see the map below for specific locations and dates of the road closures. Be on the lookout for “No Parking” and or “Road Closed” barricades and signs. This will be an indication that work is in the area. Vehicle parking will not be allowed in the work zone after 8 a.m. Please

make arrangements to accommodate the necessary road work. Any vehicle left on the street or grassy road shoulders within the work zones after 8 a.m. will be towed at the owner's expense. Work may be extended pending weather conditions.

For questions regarding this project, please call DMK and Associates at 246-2003 or visit www.dmkhawaii.com.

ALL WORK IS WEATHER PERMITTING , SCHEDULE SUBJECT TO CHANAGE
